CARERS INFORMATION SERVICE

Bournemouth, Christchurch and Poole Adult Social Care Services have a Carers Information Service to help support those looking after someone who relies on them for everyday help and support. Its purpose is to keep families and friends informed of news and events that may be helpful to the care and support they provide.

We regularly hold events for carers to meet up and enjoy an activity and some of them are with the person they support. We also arrange information sessions, workshops and promote activities other relevant organisations are involved with.

When you send us the completed joining form overleaf you will receive a welcome pack which includes the latest newsletter and an application letter for the carers ID and discount card.

You can choose to receive the newsletter by email (this helps us keep our costs down) and you may receive extra information that has missed the newsletter deadline or late availability of some services such as our beach huts or holiday lodges.

We are always keen to hear from carers about what is working, what could be improved and where we need to develop better support.

Join the Carers Information Service today and benefit from knowing more about what help there is for carers of people living in Bournemouth Christchurch and Poole.

You can contact the Carers Support Service by telephoning:

01202 128787

Or by emailing: carersupport@bcpcouncil.gov.uk

CARERS INFORMATION SERVICE JOINING FORM
